Mobile Ticketing

Chris Tobia

Director, Ticketing Operations

Michele Ziobro

Senior Coordinator, Ticket Operations

Background

The United States Golf Association (USGA) has a 100% mobile ticketing solution.

- Eliminates contact points and makes the customer experience safer and more convenient
- Enhances ticket security and significantly reduces opportunity for bad characters to take advantage of fans
- Simplifies the distribution process of tickets, utilizing email address instead of having to mail or personally deliver/distribute tickets
- Increases ability to track tickets and utilization
- Better for the environment, reduces significant paper waste from printed tickets
- Keeping up to date and on par with the sports and entertainment industry trends and technology innovations

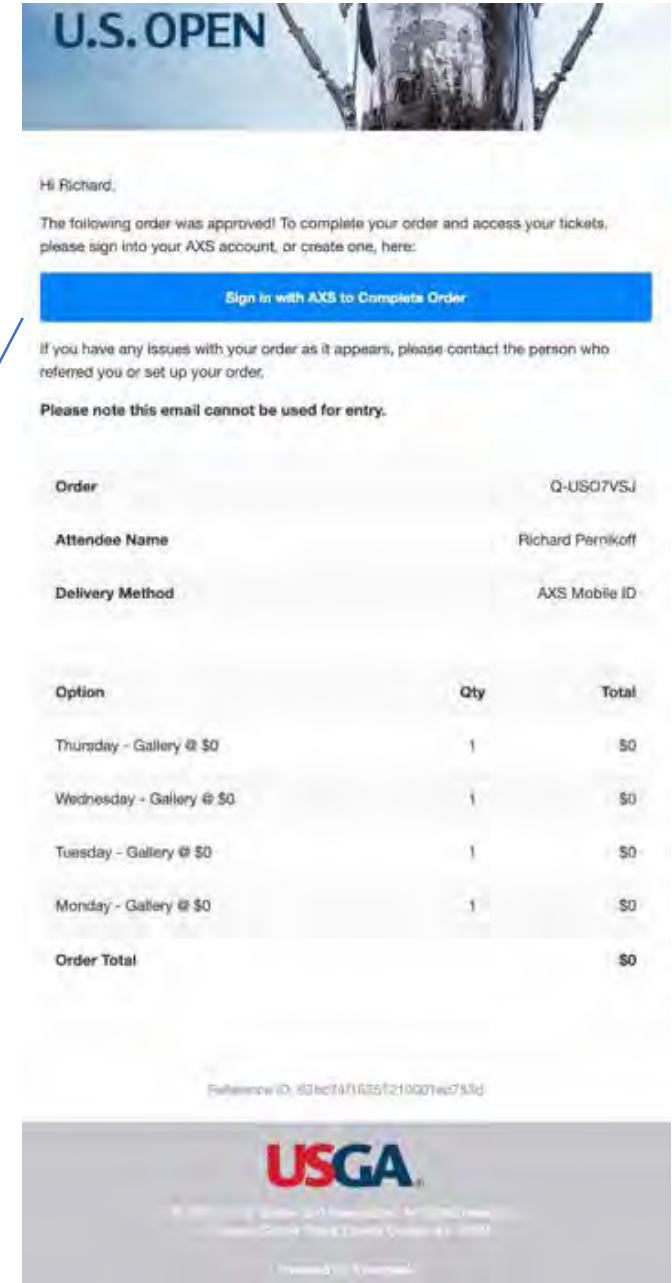

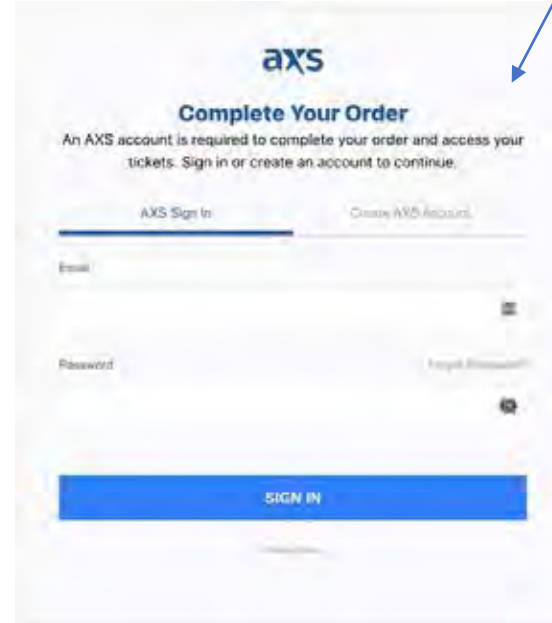

Quest

- Quest is the ticket request platform that the USGA/MSG will use to enter your contractual ticket allotment, as well as any additional ticket purchases on your behalf.
- Once approved in our system, an email is automatically generated to the individual identified in the ticket order. They will receive either an email prompting them to accept the tickets, or if there is a balance due, they will be prompted to make a payment.
- Once the necessary steps are complete, your tickets are automatically added into your AXS account.

Quest Contractual Requests

- You will receive an email from the USGA via the email address: no-reply@request.aegpresents.com after your ticket allotment has been reviewed and approved. Action is required within this email
- You must complete the order by creating or linking an existing AXS account to receive your tickets
- The tickets will automatically be linked to your account after you complete the order
- Manage the tickets in the online portal or in the USGA app

Quest Paid Option Requests

- Once approved, the email holder of the request will receive a notification the order has been reserved
- To pay for the order, fill in the payment details via the secure payment link by including the credit card and billing information
- After payment is collected, you will receive a payment confirmation email. The email will prompt you to complete the order by creating or linking an existing AXS account to receive your tickets.

The following order has been reserved and is ready for payment. You have until **Friday February 17, 2023 @ 10:24 am PST** to complete your order. Orders not paid by this time will be canceled.

If you have any issues with your order as it appears below, please contact the person who referred you or set your order up.

Please note this email cannot be used for entry.

AXS Fan Account Manager

Account managers will be able to access and distribute tickets via the USGA App or USGA.org Ticket Portal webpage

- We suggest using the ticket portal on USGA.org when sending out the bulk of your tickets.
- We recommend using the USGA app when sending out those last-minute tickets or managing a ticket while on-site.
- Regardless of which portal you are using, transferring tickets to attendees is simple, easy, and a seamless process.

Account Manager FAQ's

Who will create my AXS account?

- You can create an AXS account in advance on AXS.com or when you complete the ticket order via email.

When will digital tickets be issued?

- Digital tickets can be accessed in your account 30-60 days prior to Championship week.
- Note: The USGA will not release any tickets until they are in receipt of your fully executed hospitality agreement, Certificate of Insurance and all payments due for your hospitality package.

How do I manage my tickets?

- Digital tickets can be managed through the USGA app or on the USGA ticket portal by visiting USGA.org
- Via the dashboard, you can:
 - Transfer tickets to employees or clients
 - Keep track of tickets you have already transferred and remaining ticket inventory
 - Update your account information.
- You can also manage your tickets in the AXS app. You can download the USGA or AXS app from the Apple App Store or the Google Play Store.

Can I send multiple tickets to the same person?

- Yes, you can send as many tickets as you would like to someone.

Does the person I send tickets to need to have an AXS account?

- Yes, the person receiving the tickets would need to create their own AXS account to access their tickets. They can download the AXS app from the Apple App Store or the Google Play Store.

How do my guests access their digital tickets?

- When you transfer tickets to a guest, they will receive an email letting them know that you sent them tickets, along with “next steps” instructions. They will have to download the USGA or AXS app and create an account using the same email address you used to transfer their tickets.

Can my guest print out their tickets at home?

- No. Guests will not be able to print their tickets. Mobile tickets must be scanned from a smartphone for entry. They will need to have their tickets open in the USGA or AXS app when entering the Championship.

FAQ's Continued

Can my guests use a screenshot of their tickets?

- No. A mobile ticket must be provided within the USGA or AXS app. The digital ticket will be scanned at the admission gate and at the entrance to your hospitality area. Tickets will not be accepted at either the admission gate or hospitality entrance if they are a screenshot.

What if my guests phone runs out of battery, is lost/stolen or loses service, or they cannot log into their account?

- Once transferred, the tickets are connected to your guest's email address, they simply have to come to the ticket office, present their ID, and our ticket resolution team will assist them.

What if my guest does not have a smartphone?

- If your guest does not have a smartphone, they simply must go to the ticket office, present their ID, and our ticket resolution team will assist them.
- Please note their ticket must have already been transferred to their email address.

What if I forward tickets to the wrong person, can I reclaim the tickets?

- Yes. You can reclaim tickets if they haven't already been accepted by the recipient. If the recipient has downloaded the USGA or AXS app and accepted the tickets, then a member of the USGA ticket department will have to recall those tickets and place them back into your account. We recommend double-checking the email address to be safe.

If I transfer tickets and that person is unable to attend, can I get the tickets back?

- Yes. You can reclaim tickets if the recipient hasn't already accepted them. Just log into your account and cancel the transfer. If the recipient has downloaded the USGA or AXS app and accepted the tickets, then a member of the USGA ticket department will have to recall those tickets and place them back into your account.

What does my guest do once they have entered the Championship?

- Your guest will need to proceed to your hospitality area. They will again have their ticket scanned (for the last time) and then be issued a day specific wristband that will allow access into your venue for the day.

Who can I contact if I need assistance with digital tickets?

- If you need further assistance, please contact the USGA Ticket Office at (800) 698-0661 between the hours of 9 a.m. and 5 p.m. EST, Monday – Friday. You can also contact us via email at tickets@usga.org.

Can I track my ticket transfer distribution and attendance?

- Please contact with your client service rep, who will connect with the USGA Ticketing team to determine potential options and reports.
