Menu Planning Tips

UTILIZE YOUR RIDGEWELLS CONTACT

It's our pleasure to create menus, help determine order quantities and make recommendations to fit your budget and needs.

MAKE SPECIAL REQUESTS IN ADVANCE

We make every effort to accommodate special requests made prior to April 26.

Please ask!

SEND INVITES OUT EARLY

We recommend sending out your invitations as soon as possible, and requesting RSVPs by April. Don't forget to ask your guests for any dietary restrictions in their response.

KNOW YOUR AUDIENCE

Consider the profile of your attendee list and what they will enjoy the most.

OFFER A VARIETY OF OPTIONS

Take advantage of our wide range of selections to impress your guests each day.

ESTIMATE GUEST ATTENDANCE

Plan for daily guarantees and the number of tickets distributed on any given day.

Prices increase 25% after the final deadline (April 26)

Dedicated Team

Our dedicated sales team will assist you every step of the way, starting with the menu planning process and culminating with the execution of your event at the championship.

MCKENZIE MENSCH

Client Relations Manager

Staffing

Our in-house staffing team will personally interview and select all event catering staff, and ensure they are trained to the highest standards.

Dedicated supervisors, servers and bartenders will be provided based on the size of your space, the daily guest counts and the menu demands of your area. We strive to keep your staff consistent throughout the championship to optimize service.

Standard Buffet Equipment

Menu prices include disposable flatware, bowls, plates, cups and napkins, along with the equipment necessary to display and serve your selections on your buffet.

Gratuity

It is against company policy for Ridgewells employees to accept any gratuity during your event. Post-championship tipping is wholly at your discretion. Should you wish to distribute gratuity to our staff, cash may be given following the conclusion of service or you can request a tipping sheet from your Ridgewells point of contact, which will be added to your final invoice.

Order Guidelines

A daily minimum food order of at least \$5,000 is required to open the corporate hospitality area on any given day. This does not include beverage service, production charge or sales tax.

A LA CARTE MENU

Utilize our a la carte menu to create fully custom menus. Ridgewells requires a minimum order of 25 servings for all menu items. Ordering requirements for each menu item are listed on the a la carte menu pages.

DAILY PACKAGES

Ridgewells also offers a few packages to choose from. The pre-championship menus are available on Monday & Tuesday. The brunch packages can be selected for any day of the week. Menu packages are set menus, and there will not be any substitutions allowed. Our packages must be ordered in accordance with the following guidelines to open any day during the week:

Minimum order guarantees by day:

- 25 guests or \$5,000 food minimum on Monday & Tuesday (whichever is greater)
- 75% of total ticket allotment on Wednesday
- 100% of total ticket allotment on Thursday—Sunday

Prices are per person, unless otherwise stated, and subject to a 25% production charge and 7% local sales tax.

Please note that the food quantities for menu packages are based on your confirmed daily guest count—menu packages are not “all you can eat.”

ON-SITE MENU

The on-site menu is a limited version of our full service menu, allowing you to add additional items after the April 26 deadline. All items on this menu will reflect a 25% price increase. This menu will be released in the spring.

Local. Fresh. Inspired.

When creating menus, our team focuses on incorporating regionally inspired selections and local products. We work hard to establish strong relationships with fellow food and beverage professionals in each city we travel to and we strongly believe in giving back to the local community. These are a few of the featured North Carolina companies Ridgewells plans to partner with for the 2024 U.S. Open Championship.

& more to come!

Policies & Procedures

ORDER REQUIREMENTS

A daily minimum food order of at least \$5,000 (not inclusive of service charge, tax, or beverage service) is required to open the corporate hospitality area on any given day. If a client selects a package on any given day, the package must be ordered in accordance with the following guidelines:

- 25 guests on Monday and Tuesday
- 75% of total ticket allotment on Wednesday
- 100% of total ticket allotment Thursday - Sunday

PRODUCTION CHARGE & SALES TAX

A 25% production charge and 7% local sales tax will be added to all food, staff, equipment, and non-alcoholic beverages. The bar package will be taxed in accordance with North Carolina state law. The production charge is for production of the event. It is not purported to be a gratuity and will not be distributed as gratuities to the employees who provide services to the guests, but rather will be retained by management to help defray production costs related to the event. It is at the client's sole discretion to leave a gratuity for the service staff.

OPTION TICKETS

Unless instructed otherwise, Ridgewells will assume any option tickets purchased by U.S. Open Client will be distributed and used. As such, Ridgewells will provide a revised catering proposal, inclusive of suggested increases to food quantities and bar counts, to account for increased guest count(s) to all U.S. Open clients who have purchased option tickets. All revisions are subject to client approval by April 26.

ON-SITE TICKETS & ADDITIONAL ACCESS WRISTBANDS

100% of the daily per person catering fee (inclusive of any food orders added after April 26) will be added to the final balance invoice with the purchase of on-site daily tickets and/or additional access wristbands purchased before 2:30 PM. For on-site additional access wristbands purchased after 2:30 PM, 50% of the daily per person catering fee (inclusive of any food orders added after April 26) will be added to the final balance invoice. No daily per person catering fee will be added for children 5 and under. Per person daily catering fees are unique to each U.S. Open client. Production charge and local sales tax will be applied accordingly.

GRATUITY

It is Ridgewells' pleasure to serve all U.S. Open clients and guests, and it is against Ridgewells' policy for staff to accept tips during the event. Complimentary signs will be displayed on U.S. Open Client's bar to politely notify guests of Ridgewells' gratuity policy. Should the client wish to distribute gratuity to their staff, cash may be given following the conclusion of service on Sunday, June 16, or the client may request a gratuity form from Ridgewells, which will include the names of all front and back of house staff that served the private space, to add gratuity to the client's final invoice. Please note, the gratuity added to the client's final invoice will not be taxed and will not be distributed to our staff until after the client's account has been paid in full. Gratuities are solely at the discretion of the U.S. Open Client.

ALLERGIES

Many of the foods prepared contain ingredients that people may be allergic to such as nuts, wheat or dairy. If advised of allergy concerns in advance, Ridgewells will work with U.S. Open Client to customize menus that take allergies into consideration. However, Ridgewells cannot guarantee that all food prepared will be free of allergens. Ridgewells will not be liable for any injury to persons, including fatalities, resulting from an allergic reaction to any food served, regardless if advised of such allergies in advance.

INSURANCE, LICENSES AND PERMITS

Ridgewells maintains insurance for injury to persons and property in accordance with industry standards and regulations. Insurance certificates are available if requested at least thirty (30) days prior to the event. Ridgewells maintains all licenses and health permits necessary to conduct food and beverage operations.

INCLEMENT WEATHER

Catering services are provided rain or shine in accordance with the USGA. In the event that inclement weather poses a threat to public safety and general spectators are permitted to enter corporate hospitality areas to take shelter, food and beverage service will remain open at the discretion of U.S. Open Client.

CANCELLATION

After March 1, but prior to May 3, Ridgewells will refund the deposit payment less the 20% non-refundable portion. After May 3, Ridgewells will retain 100% of payment in full regardless of the reason for cancellation.
